3. Supervising the Board of Management by the Board of Directors

The Board of Directors supervises the Executive Board and other management personnels in the company's operations

Monthly and quarterly, the members of the Board of Director (BoD) of the Company are provided with detailed report on business operation progress, financial status, emerging issues, and plans for the upcoming stages. These reports are presented by the Board of Management, enabling the Board of Directors to have a comprehensive overview of the Company's activities.

The Board of Directors conducts regular monitoring activities, in full compliance with legal regulations, the Company's charter, and internal regulations. Board of Directors members not only participate in direct inspection and supervision but also receive feedback from the Board of Management and the Board of Supervisors, ensuring transparency and effectiveness in the Company's management and operations.

4. Activities of the Board of Directors' subcommittees (If any): None

5. Decisions by the Board of Directors

In the first six months of 2026, the Board of Directors held 13 meetings with the full attendance of all members. The content of these meetings always received high consensus, facilitating the implementation of the Board's resolutions into the company's production and business activities. The Board's decisions at each point were instrumental in guiding the Executive Board's management of production and business operations. Most of the resolutions were implemented and successfully completed by the Executive Board during the year.
